TREATMENT FOR PET POISONING
If animal eats bait, call a veterinarian at once.

NOTE TO PHYSICIAN OR VETERINARIAN
Antidotal Information: If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. For humans and dogs, fresh milk should be given to the patient. Parenteral vitamin K1 may be administered at a dosage of 5-25 mg/kg, intramuscularly or subcutaneously.

ENVIRONMENTAL HAZARDS
This pesticide is toxic to mammals and birds. Dogs and other predatory and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Runoff also may be hazardous to aquatic organisms in water adjacent to treated areas. Do not contaminate water when disposing of equipment wash water or rinsate.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
READ THIS LABEL. Read the entire label and follow all use directions and use precautions. Failure to follow the label will result in violation of Federal law.
IMMEDIATELY: Do not expose children, pets or other non-target animals to bait blocks. To help prevent accidents:
1. Store product not in use in locations inaccessible to children and pets.
2. Apply bait to locations outside of children, pets, domestic animals and non-target wildlife. If children or pets are not kept off treated areas, do not apply bait in or near damp areas or near standing water. In cases where children are exposed to the bait, a safety talk should be held prior to application. After application, children and pets should be kept away from treated areas. Store product container and unused, spoiled and un consumed bait as specified on this label.

KEEP OUT OF REACH OF CHILDREN
CAUTION
SEE SIDE PANELS FOR ADDITIONAL PRECAUTIONARY STATEMENTS

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store only in original container in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals.

PESTICIDE DISPOSAL: Wash residue from the product container by flushing with soap and water in a sink or well away from the drain. Follow disposal instructions as specified on this label.

CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by incineration. Notice: To the extent consistent with applicable law, buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given hereon.
